

Thank God for restoring his calling in Shep. Abraham Victor so that Victor may newly begin his life as a UBF shepherd for Namibia. We believe it is God's answer to the tearful prayers of Msn. James and Petra Lee of Zimbabwe, who raised him during their three years of missionary life (1992-1995) in Namibia.

The group photo shows University of Namibia (UNAM) students who have studied the Bible and attended the March 24th Easter worship service (In the front line, the person left to Victor is his son Phillip). Three of them are Phillip's classmates. We thank M. James Lee of South Africa, who served Phillip through one-to-one Bible study online so that Phillip could lay the foundation for the Christian faith. The other photo shows Shep. Abraham Victor delivering a message based on John 20 during the Easter Sunday worship service on March 31.

Please pray that Shep. Abraham Victor may nourish Phillip and other students with the word of God and raise them to be ancestors of faith for Namibia UBF. Please also pray for Phillip to grow to be a shepherd and Bible teacher. M. Sarah and I will return to Minneapolis, USA, after 83 days of a short-term mission in Namibia. We thank all those who have prayed for Namibia.
